

CERTIFICATE

PPA-Europe, the European Association for Panels and Profiles, awards the Quality Label EPAQ to the companies that maintain compliance with the Quality Regulations for Panels and Profiles of the association. Under the EPAQ scheme of PPA-Europe, experienced third parties ensure a quality assurance system with EPAQ system A for mechanical and insulation properties, EPAQ system B for reaction to fire of panels, EPAQ system C for reaction to fire of structural profiles, EPAQ system D and E for reaction to fire of self-supporting profiles and EPAQ system D for tightness properties of panels.

PPA-Europe has authorized the third party

KIT Stahl- und Leichtbau
Versuchsanstalt für Stahl, Holz und Steine

Otto-Ammann-Platz 1, 76131 Karlsruhe, Germany

with the following tasks under the quality assurance system EPAQ in the field of **sandwich panels and metal profiles**:

- Type testing of mechanical and dimensional characteristics
- Initial Inspection
- Regular testing of mechanical and dimensional characteristics as part of the EQC
- Regular Assessment of FPC as part of the EQC

EPAQ number of the Third Party: 09-009

Expiry date: 2021-01-31

Signed, 2018-06-13

Chairman of the QC for Panels

Chairman of the QC for Profiles
